Chalgrave Manor Golf Club - 2012 Membership Package!!

2011 was a superb year for the Club, in what are continuing, difficult economic circumstances. We were able to retain our membership base and continue to build numbers steadily through the year. We have been hovering around the 470 Full members mark for the past three months, with a stated maximum of 500 Full Members. There will undoubtedly be increases in our own operational overheads again this year, with energy prices, insurances and rates all expected to continue to rise.

The works to the reservoir are largely complete now. The irrigation system is about to undergo an upgrade, providing water to the tees and the fairway in front of every green, as well as the greens. We expect to be able to revert back to the original line of play for what is currently the 14th hole, early next year as the growth resumes in the Spring. We also set new standards for ourselves this year, the greens were superb for most of the year, due in no small part to the investment in some major new items of course maintenance machinery coupled with the skills of our greenstaff. Spiking and top dressing is far more effective now but despite the spiking being significantly deeper it has also been far less noticeable thanks to the new machinery.

I made a very clear commitment before the reservoir project commenced, that the cost of this would not have a major impact in the form of large increases in subscription fees. That promise has been honoured as our fees for 2012, in the case of Full Membership, are:

£450 per annum or £45.00 per month (12 monthly payments)

Still included in the Full Membership Package, is the Reciprocal Golf Deal, allowing Full Members to play free of charge, now at TWENTY TWO other courses and I am hopeful that we will be adding a few more in the very near future. This deal has been extended to allow some **WEEKEND ACCESS**, still on a **FREE OF CHARGE** basis.

With new members still continuing to join us, I expect to have to commence the operation of a Waiting List for Full Membership very shortly. The Waiting List system will give priority to golfers on our Associate Membership or Off Peak 5 day categories ahead of all others.

Our Membership year runs for 12 months from the date of joining. We do not charge a part year and have one annual renewal date for the whole club. Membership Subscriptions are set prior to the start of a calendar year and at whatever month your renewal date falls due, that will be the fee that will be charged for a full 12 month period.

I can absolutely guarantee, that there is not an offer available in the local golf marketplace, that comes remotely close to the package that we have assembled. Assuming that we can continue to maintain our levels for Full Membership, then *the aim is to retain a similar level of subscription fee for 2013 as well.*

You can help us to achieve this by passing on the information to any other golfers that you might know.

There will be a small increase in the Green Fees charged later in 2012. Green Fee increases will come into effect on 1st April 2012 as we move out of the Winter period. Associate Member Green Fees will increase by 50p to £14.00 midweek and £16.00 at weekends. Members Guests will be at £17 and £21 and Visitor Fees will be £30 and £37.

2011 was a busy and vibrant year for the Club. I hope that we can maintain the momentum that we have achieved through 2012 and beyond. It remains a challenging economic climate but I feel that the Club has met the challenge well in 2011 and have ensured that the Club has the resources to continue to improve over the coming years. I hope that you will be joining us in 2012 for your golf membership in whatever category suits you best.

Yours Sincerely

Steve Rumball
