

COMPETITIONS

July Medal

In order that you do not have to swap cards, do not enter **your** details on the card. Instead please fill in the card for the player for whom you are the agreed marker.

Please write clearly the following:-

- Date
- Competition Name
- Name of Player whose card you are marking (Player A)
- Player A's handicap
- Sign and print your name at bottom of scorecard

DO NOT SWAP CARDS

Members are asked to ensure that the correct Gross Score for each hole is entered in Column A for the named player on the card, and that their own gross score is entered in the Marker Score column.

At the completion of the round again **DO NOT SWAP CARDS**. The players should confer verbally to agree gross scores for each hole before the **marker only signs and prints name at bottom of scorecard**.

Completed scorecards should be placed in the Competition box.

Ditches

The number of markers on the course are being reduced over the next few weeks.

Please be aware that all ditches are **Penalty Areas** (see Rule 17).

Bunkers

Until further notice, permission has been granted by R&A and CONGU for all **Bunkers** to be **GUR**, to allow qualifying scores to be submitted. Please note that the Nearest Point of Relief may be at the front of the bunker, meaning you will have to play over the bunker. (This GUR is not compulsory so you may choose to play from the bunker)
